Brawny Industrial® Premium All Purpose DRC Perforated Roll Wiper

Strongest all purpose and most versatile wiping material with excellent bulk, softness and absorption capacity. Use to clean both oil and water based products & for personal use.

Description:

Brawny Industrial® premium all purpose double crepe (DRC) wipers are engineered to offer excellent bulk, softness and absorption capacity. DRC is the material of choice for most "medium duty" applications and ideal for use to clean up both water-based and oil-based products while being versatile enough to be used for personal use. These cost-effective wipers come in a convenient perforated roll format for ease of access and ease of use.

Features & Benefits:

- » Super strong, cloth-like wipes make cleaning, scrubbing or drying quick and easy.
- » Double crepe (DRC) technology provides superior softness, strength, and absorbency/ capacity
- » Up to 50% less expensive than bulk rags and consistent in quality
